## Features

NorthRock offers a wide variety of landscape rock that is decorative and functional, making it great for any home or landscape project.

### All varieties of NorthRock Landscape Rock:

- Do not fade with sunlight or moisture
- Do not attract pests like ants & termites
- Help reduce erosion & maintain moisture
- Stay in place better than plant-based mulch

### How to Determine Number of ½ Cu. Ft. Bags Needed

Application Depth	2 in.	3 in.	4 in.
Area to Cover	(Total sq. ft.) x 0.33	(Total sq. ft.) x 0.5	(Total sq. ft.) x 0.66

## How to Buy
